RECENT PUBLICATIONS

(Students, Residents, Fellows are highlighted)

- **Textbooks:**
  - Anesthesia Unplugged, McGraw Hill, 2012, Edited by Steven H. Ginsberg MD and Chris Gallagher MD
  - TEE: Board Stiff, McGraw Hill, accepted for publication 2012. Edited by Steven H. Ginsberg MD and Chris Gallagher MD

- **Book Chapters:**
    - Solina, Zhou: Internal Jugular Access
    - Kertsman, DeAngelis: Femoral Venous Access
    - Barsoum: Femoral Arterial Access
    - LaSalle, Kiss, Denny: Awake Intubation
    - Daley, Denny, Batsides: Emergency Airway
    - Kraidin, DeLara, Langenfeld: Thoracic Epidurals
    - Hall, Panjwani: Blood Patch
    - Kiss, Kuppasamy, Lasalle: Regional Block of the Upper Extremity
    - McDonough, Saluja, Kraidin, A Khan: Pacing
    - K Khan, Pantin: TEE
    - Wong, Chhokra: Smooth Emergence
    - Mehta, Hunter: Positioning
    - Grubb, Chaung D: Cath Lab Anesthesia
    - Janco, Kaufman, Ginsberg, Kraidin: Handoff for PACU and ICU
    - Kraidin, Anderson, Ginsberg: Port Access
    - Slomovits, Ginsberg: PAT
  - TEE: Board Stiff, McGraw Hill, accepted for publication 2012. Edited by Steven H. Ginsberg MD and Chris Gallagher MD
    - Ginsberg, Kraidin: Equipment, Infection, and Safety
    - Kraidin, Ginsberg, Jian: Principles of Doppler Ultrasound
    - Aldo, Pantin: Pathology of the Cardiac Valves
- Pantin, Aldo: Pericardium and Extra-Cardiac Structures
- Solina, Aldo, Zisa: Cardiac Masses
- Grubb, Burr: Test Questions

- Kaplan’s Cardiac Anesthesia, Sixth Edition, Edited by Kaplan, Reich, and Savino, W.B. Saunders, 2011
  - Augoustides J, Pantin E, Cheung A: The Echo Era

**Manuscripts:**

Ginsberg S, Kraidin J, Grubb W, Panjwani S, Solina A: Noise in the Operating Room during Cardiac Surgery. Accepted for publication, J. Cardiothoracic and Vascular Anesthesia, No. JCVA-D-12-00308R1, 2012

Oak Z.Chi, MD, Christine Hunter, MD, Xia Liu, MD, Youngchan Chi, Harvey R. Weiss: Effects of GABA receptor blockade on regional cerebral blood flow and blood-brain barrier disruption in focal cerebral ischemia. Journal of the Neurological Sciences; 301 (2011) 66-70.

Oak Z Chi, MD, Christine Hunter, MD, Xia Liu, MD, and Harvey R. Weiss, PhD: The Effects of Dexmedetomidine on Regional Cerebral Blood Flow and O2 Consumption during Severe Hemorrhagic Hypotension in Rats. Anesthesia & Analgesis, 2011; 113 (2): 349-55.

- **Abstracts and Poster Presentations:**

S Barsoum, S Cohen, J Denny, D Chyu, P Patel, M Kaufman, S Yeh, A Kahan and J Tse: Pre-Oxygenation with No-Cost TSE “Mask” Reduces Severe Desaturation in Patients under Deep Propofol Sedation during Short Upper GI Endoscopy. Poster Presentation (P9018) at the NYSSA 65th PostGraduate Assembly in Anesthesiology, NY, Dec 9-13, 2011

J Tse, B Collins, K Dauphinee, T Mehta, C Hunter, L Spina and S Cohen: Pre-Oxygenation with a No-Cost TSE “Mask” Prevents Severe Desaturation and Reduces the Need for Bag-Mask Ventilation in Elderly Patients under Deep Propofol Sedation during Upper GI Endoscopy. Poster Presentation (S284) at the IARS 2012 Annual Meeting, Boston, MA, May 18-21, 2012

Christine W. Hunter, Shaul Cohen, Sal Zisa, Sana M. Shaikh, Jorge Mendez, Tejal Mehta, Ryan Sison, Anna Pashkova, Sahebjit Bhasin and

Shaul Cohen, Christian McDonough, Heather Skiff, Sal Zisa, Sameet Syed, Jane Kim, Sana M. Shaikh, Noah Rolleri, Christine Park No and

John Denny, Jana Janco, Vincent Cirella, Shaul Cohen, Gina George and James Tse: Does No-Cost TSE "Mask" Improve Oxygenation and Reduces Severe Desaturation in Obese Patients during Cardioversion/AICD Testing? Poster Presentation (A545) at the 2011 ASA Annual Meeting, Chicago, IL, Oct 2011

Shaul Cohen, Vincent Cirella, Christine W. Hunter, Gina George, Jana Janco, Akwasi Amponsah, A. Sahani Panjwani and James Tse: Pre-Oxygenation with No-Cost TSE “Mask” Reduces Severe Desaturation in Obese Patients during Cardioversion/AICD Testing. Poster Presentation (P9016) at the NYSSA 65th PostGraduate Assembly in Anesthesiology, NY, Dec 9-13, 2011

Shaul Cohen, Sylviana Barsoum and James Tse: Pre-Oxygenation with a No-Cost TSE “Mask” Prevents Severe Desaturation and Reduces the Need for Bag-Mask Ventilation in Propofol-Sedated Elderly Patients during Cardioversion/AICD Testing. Poster Presentation (S285) at the IARS 2012 Annual Meeting, Boston, MA, May 18-21, 2012

Julie Mathew; Shaul Cohen; Kristen Dauphinee: Christine W. Hunter and James Tse: Pre-Oxygenation with No-Cost TSE “Mask” Prevents Severe Oxygen De-Saturation in Elderly Patients under Deep Propofol Sedation during Retrobulbar Block. Abstract 020 at the Society of Ambulatory Anesthesia 26th Annual Meeting, San Antonio, TX, May 5-8, 2011

James Tse, Sylviana Barsoum, Kristen Dauphinee, Candy Anim, Dora Zuker, Tejal Mehta, Julie Mathew, Melissa S. Wu and Shaul Cohen: Does Pre-Oxygenation with No-Cost TSE “Mask” Reduce Severe Desaturation in Elderly Patients under Deep Propofol Sedation during Retrobulbar Block? Poster Presentation (P9017) at the NYSSA 65th PostGraduate Assembly in Anesthesiology, NY, Dec 9-13, 2011

Jana Janco, Shaul Cohen, Christine W. Hunter, Sylviana Barsoum, John Denny, Scott Mellender, Christian McDonough, Julian Kertsman,
Mohammed Y. Khan and James Tse: A Simple Technique to Improve Oxygenation and Reduce the Risk of Fire Hazard in Obese Patients under MAC/TIVA. Poster Presentation at the 2011 NJSSA

Michael Wong, Christine W. Hunter, Shaul Cohen, Branson Collins and James Tse: A Simple Technique to Improve Oxygenation and Reduce the Risk of Fire Hazard in Propofol-Sedated Patients during Short Surgical Procedures. Poster Presentation (A544) at the 2011 ASA Annual Meeting, Chicago, IL, Oct 2011

Christine W. Hunter, Shaul Cohen, Branson Collins, Tejal Mehta, Michael J. Wong, Mohammed Y. Khan, Oliver Choo, Gianna Casini and James Tse: No-Cost TSE “Mask” Reduce Severe Desaturation and the Risk of Fire Hazard in Propofol-Sedated Patients during Short Surgical Procedures. Poster Presentation (P9015) at the NYSSA 65th PostGraduate Assembly in Anesthesiology, NY, Dec 9-13, 2011

James Tse, Maria Negron-Gonzalez, Dora Zuker, Christine W. Hunter, Michael J. Wong and Shaul Cohen: A Simple Technique to Prevent Severe Desaturation and Reduce the Risk of Fire Hazard in Propofol-Sedated Patients during Short Surgical Procedures. Poster Presentation (393) at the 15th WFSA World Congress of Anaesthesiologists, Buenos Aires, Argentina, March 25-30, 2012

Stein MH: Anesthesia guidelines for the obese patient. Society of Anesthesia and Sleep Medicine, Chicago, IL, October 2011.

Christine Park No B.A., M.S, Shaul Cohen, M.D., Shruti Shah M.D.,

- **Spence N**, Kalyam K, Cohen S, Shah S, Nelson-Lane L, Shkolnikova T, Kim J, Fernandez MA, Tse J, Hunter CW: Does the addition of intravenous lidocaine to propofol blunt the response to noxious stimuli upon insertion of endoscope for upper endoscopy? Poster Presentation:
Research Poster Session, UMDNJ-RWJ Medical School, New Brunswick, NJ, November 2011

Renu Chhokra, Adil Mohiuddin, Shaul Cohen, Subhankar Chhokra,
Shrutie Shah, Oren Y Ambalu, and May A Fernandez: Can ice application at the IV site be used as an alternative for IV lidocaine upon propofol injection in endoscopy patients? Poster Presentation: NYSSA 66th PGA, December 15-17, 2012, New York. (Submitted)

- Harris Shaikh, Shaul Cohen, Adil Mohiuddin, Tejal Mehta, Oren Y Ambalu, Arpan G Patel, Jaimie John and Sylviana Barsoum: Epidural-

- Oliver Choo, Christine Park No, Shaul Cohen M.D., M.D., Shruti Shah M.D., Sameet Syed M.D., Anna Pashkova B.A., Arpan G. Patel B.S.,
Noah Rolleri B.S., May Anne Fernandez M.D., Does the addition of phenylephrine to prophylactic IV ephedrine further reduce the incidence of hypotension from intrathecal ropivacaine for C/S? Poster Presentation: ASRA 2012, Miami, FL, November 2012.
