The Medical School Performance Evaluation (MSPE) is a summary of each senior medical student's progress through medical school and is sent by all medical schools to Residency programs on October 1st of each year. The MSPE is **NOT** a letter of recommendation from a Dean or a faculty member at RWJMS. It is an objective summary of your medical school performance. The Unique Characteristics as well as verbatim clerkship comments, summary paragraphs and some check boxes make up the bulk of the letter. Below is the template used for writing the MSPE letter.
