19th Annual Mates David and Hinna Stahl Memorial Lecture in Bioethics

Date and Time:
Tuesday, May 3, 2016 - 4:00 PM – 5:30 PM

Location:
Conference Room 1302, Clinical Academic Building
125 Paterson Street, New Brunswick, New Jersey
v-Tel Dean’s Conference Room 123
675 Hoes Lane West, Piscataway, New Jersey

Speaker: Larry Temkin, PhD
Inequality and Health

Learning Objectives:
By the end of this session, participants will be able to:
• Describe the complexity of equality, and the role that egalitarian considerations might or might not play in the delivery of health care.
• Discuss why any society that seeks to treat each of its members fairly needs to be concerned with equality of health and equality in the distribution of health.

Speaker: Ambassador Meryl Frank (retired), MPH, MA, MPhil
Gender and Equality in Healthcare: A Global Prospective

Learning Objectives:
By the end of this session, participants will be able to:
• Describe the need for gender equality in health care education and access and delivery of healthcare services.
• Identify any of the economic and social/cultural barriers to gender equality in healthcare globally.
• Discuss international efforts to combat gender inequality in healthcare.

Reception to follow in conference rooms 3403/3404.

Part of Rutgers, The State University of New Jersey
