Voting: It’s Your Right
What Is Voting?

Voting is a way of making a decision.

Voting is a way of making a choice or picking what you want.

Voting is a way to have your voice heard.

Voting is a way to express an opinion.

Why Do You Vote?

“It is our basic right.”

“To vote for people we trust to help us and will set the right rules for government.”

“To have a say in how things are run.”

Put a ✓ next to the times you’ve had a chance to vote:

🌟 I’ve had a chance to vote:

___ At a self-advocacy meeting

___ At a community group

___ In a government election

🌟 The reason voting is important to me is

______________________________________________________________
What Should People Know When Going To Vote?

- You have the right to vote even if you have a developmental or intellectual disability.

- You have the right to vote even if you live in a developmental center, group home, or other place where you receive residential care.

- You may have the right to vote even if you have a guardian (depending on the terms of the guardianship).

- You have the right to vote if you are waiting in line when the poll closes.

- You have the right to make up your own mind about how you want to vote.

- You can choose to talk about the candidates and the issues or NOT to talk about the candidates and the issues.

- You do not have to tell anyone who you vote for unless you want to.
Different kinds of elections take place at different times during the year.

A **General Election** for Federal and State Government is when you vote for:

- **President of the United States**
- **Governor of New Jersey**
- **Senators**
- **Congressmen**
- **County and local officials**

**General Elections** take place on the Tuesday after the first Monday in November.

A **Primary Election** is when the Republican and Democratic political parties decide who will run as their candidate in the general election.

Primary elections are usually held in June in New Jersey.

- You can only vote in a primary election if you are registered as a **Republican** or a **Democrat**.
- If you are registered as an **Unaffiliated Voter (Independent)**, you can become a member of the **Republican** or **Democratic Party** to vote in the primary election.
In order to vote a person has to be:

- **18** years old or older
- A United States Citizen
- Registered to vote
- Have the capacity to vote (can make a choice)

AND

- Cannot be in jail or on parole or probation for an indictable offense

Now, put a ✓ next to all the things that describe you.

___ I am 18 years old or older.

___ I am a United States Citizen.

___ I am registered to vote.

___ I have the capacity to vote (I understand the concept of voting).

___ I am NOT in jail or on parole or probation.

If you put a ✓ on all 5 lines, you are somebody who can vote.
What Do You Do To Prepare To Vote?

You have to **register** to be able to vote.

It is good to learn about the candidates & issues, either by reading the newspaper or watching the news.

You can also learn about the candidates & issues by going to town meetings.

You can also find information about candidates on some websites on the internet. A few helpful websites for reading about candidates are listed here:

- The League of Women Voters of New Jersey: [http://lwvnj.org](http://lwvnj.org)
- Project Vote Smart: [http://votesmart.org/](http://votesmart.org/)
What Do You Need In Order To Register To Vote?

You must register at least 21 days before the election after living in the same county for 30 days.

- You can register by mailing in the Voter Registration Application to the county clerk’s office in the county where you live
  OR
- You can register in person at the office of the County Commissioner of Registration.

You only need to register one time unless you move to a different county or out of New Jersey.

- If you move within the same county, you need to fill out a voter registration application to change your address.
- If you move to a different county or state, you need to register to vote again.
- If you move less than 30 days before an election, you can go to your old polling place to vote on election day.

Where Can I Get A Voter Registration Form?

- At the New Jersey Division of Elections website http://www.state.nj.us/state/elections/voting-information.html
- At the office of the County Commissioner of Registration or from your municipal clerk
- At the Motor Vehicle Commission (formerly called the DMV)
- At a government office where you apply for assistance or service, including the Division of Developmental Disabilities and your county welfare agency
When you register to vote, you will be asked what party you would like to be affiliated with (a member of).

- You can choose to be:
  - Republican
  - Democrat
  - Unaffiliated Voter
    (people often call an unaffiliated voter an Independent).

- There may also be other political parties

You can change your mind about what party you belong to.

You can vote for any candidate you want to in the general election, even if they are from a different party than the one you belong to.

Are you registered to vote?

Yes _____ No_____
Do You Need Identification To Register To Vote?

You will be asked to show identification to prove you live at the address you provide either:

- When you register to vote

OR

- The first time you vote in person or by mail.

Identification can include any current photo ID, such as:

- Passport
- Student ID
- Driver’s License
- Government Issued ID

OR

- A document with your name and address on it, such as:
  - A bank statement
  - Government check (like a Social Security check)

⭐ Do you have identification?

Yes _____ No_____
A week before an election, you will receive a sample ballot in the mail.

- A sample ballot looks the same as the ballot you will vote with on Election Day.

Reading your sample ballot is a good way to get ready to vote.

A sample ballot lists the candidates and ballot questions.

- A ballot question gives voters a chance to approve or reject some issue about government.

A sample ballot tells you where your assigned polling place will be.

You can vote in person OR by mail.
Everyone has an assigned place to vote called a polling place.

- Sometimes polling places are in schools, churches, or libraries.

If you want to vote in person, you must vote at your assigned polling place.

- You can look up your assigned polling place on the Division of Elections Website: https://voter.nj.gov/PublicAccess/jsp/PollPlace/PollPlaceSearch.jsp

- Polling Places in New Jersey are open from 6:00 A.M. to 8:00 P.M.

If you want to vote in person, you vote using a voting machine.
If you need help voting, you can ask someone for help.

- You can ask up to 2 people to help you vote.
- You can ask family, friends, poll workers, or someone else you choose to help you vote.
- If you ask poll workers to help you vote, they should send two, one Republican and one Democrat.

- You have the right to have someone show you how to use the voting machine on Election Day.
- You have the right to ask for another kind of help if a poll worker cannot give you the help that you need.
- You may vote by saying your choice to an assistant. This is voting orally.
- You can ask for more time when you vote.

You can ask for an accommodation, such as a chair to sit on, when waiting to vote.

If you have an issue on Election Day, call Disability Rights New Jersey:

1-800-922-7233
What If Your Name Is Not On The List When You Go To Vote In Person?

If your name does not appear on the registration list:

- You will be able to sign a special form (affidavit) claiming that you are registered.
- You will be given a provisional ballot.

A provisional ballot is a temporary ballot that you can use so you don’t miss a chance to vote while the election officials are checking to see if you are registered.

- If the poll worker asks you to see your ID and you do not have ID with you, you will be able to vote with a provisional ballot. You will have 48 hours to show your ID at the county election office. At the polls, they will tell you which county election office to take your ID to.

You may also go to your county court to argue your ability to vote.

- If you get a court order allowing you to vote, you will be given a regular ballot and your vote will be counted.
What Should You Know About Voting And Accessibility?

One accessible polling machine must be available at every polling place to allow voters to verify and cast ballots without assistance and in private.

- Voting should take place in an integrated setting where all people with and without disabilities can vote in the same place.

People with disabilities have a right to reasonable accommodations that make it possible for them to vote.

This includes things like:

- Assisted listening equipment
- Registration forms in Braille and large print
- Ramps

To find out if your polling place is accessible, go to this website and enter your address:
https://voter.njsvrs.com/PublicAccess/jsp/PollPlace/PollPlaceSearch.jsp
If you want to vote by mail instead of in person, it is a 2-step process:

- **Step 1:**
  Complete & return your **Vote By Mail Application**

- **Step 2:**
