Note: No. 12 was an Oral Presentation in the Annual ASFA Meeting in Buffalo, New York in 2000.

No. 1-11 were Poster presentations in the Annual AABB or ASFA/ Meetings, 1999-2012

CHAPTER CONTRIBUTION

Transfusion Medicine and Immunohematology in Modern Hematology: Biology and Clinical Management. 2nd ed. R. Munker, E. Hiller, J. Glass and R. Paquette, Eds. Humana Press Inc., Totowa NJ, 2007.

CHAPTER REVIEW

Chapter 20, Umbilical cord blood as alternative allogeneic graft source: Clinical banking and transplant outcomes. The BMT Data Book. Eds: R. Munker, H. Lazarus, K. Atkinson. 2nd Edition, Cambridge University Press, 2009.

POSTER PRESENTATIONS IN PROFESSIONAL MEETINGS

1. Jeanine Chiaffarano, MD, C. Cha, **Grace Tenorio, MD**. Management of Cold Agglutinin Disease Prior to Cardiopulmonary Bypass. American Society For Apheresis (ASFA) and World Apheresis Association (WAA) Joint Conference in San Francisco, April 2-5, 2014.

ORAL PRESENTATIONS IN PROFESSIONAL MEETINGS

Tenorio GC, Schlueter AJ, Gehris TL, Calvin NN, Retz CJ, Wieland MJ, Strauss RG. A prospective comparison of flow cytometry versus solid phase RBC adherence assay crossmatch of apheresis platelet units for patients'

refractory to unmatched platelet transfusions. American Society for Apheresis (ASFA) in Buffalo New York, April, 2000

POSTER PRESENTATIONS AT RUTGERS-RWJMS GRADUATION:

1. Jeanine Chiaffarano, MD, C. Cha, **Grace Tenorio, MD**. Management of Cold Agglutinin Disease Prior to Cardiopulmonary Bypass. RWJMS Pathology Graduation June 2013, Poster presentation.
2. Joseph Jaworski, MD, Mercy Kuriyan, MD, **Grace Tenorio, MD**, K. Patel, MD, Tita Schultz. Value Of A Second Sample (Confirmatory Testing) For ABO/Rh Typing of Transfusion Candidates. RWJMS Pathology Graduation June 2011, Poster presentation.
3. Saurabh Chabra, MD, Evita Sadimin, MD, Philip Reid, MD, **Grace Tenorio, MD**. Thrombotic Thrombocytopenic Purpura Precipitated By Thyrotoxicosis. RWJMS Medicine Graduation, June 2011,
4. Joseph Jaworski, MD, Mercy Kuriyan, MD, **Grace Tenorio, MD**, A. Faiz, MD, K. Patel, MD, Tita Schultz. Comparison of Blood Product Use, Costs, Length of Stay, and Outcome of Patients Treated With Current Algorithm for Massive Transfusion Protocol (MTP) To Previous Approach To Transfusion Therapy. RWJMS Pathology Graduation June 2011, Poster presentation.
5. Gregory Bocsi, MD, Tita Schultz, Charles Wilson, **Grace Tenorio, MD**, Mercy Kuriyan, MD. Impact of the Use of Thromboelastography (TEG) on Blood Use For Cardiac Surgery. RWJMS Pathology Graduation June 2011, Poster presentation.
