

## **PERSIST TO QUIT: TELEHEALTH COUNSELING FOR SMOKERS WITH SERIOUS MENTAL ILLNESS**

We are conducting a research study designed to help smokers with serious mental illness quit smoking. We provide telehealth counseling, nicotine patches, up to \$100 for completed assessments.

If you are an adult smoker with bipolar disorder, schizophrenia, or schizoaffective disorder between the ages of 18 and 70, you may qualify to participate in this study.
