

VACCINE FACTS

**SAFE &
RESPONSIBLE**

COVID-19 VACCINE DEVELOPMENT

Fact

AN EARLY START

The virus was identified early so scientists started work quickly

POWER OF SOCIAL MEDIA

Using social media made recruiting volunteers for clinical trials easier and faster

Fact

Fact

STRONG RESEARCH BASE

A decade of mRNA vaccine research allowed scientists to overlap study phases for fast data collection

FOCUSED EFFORTS

Governments invested in research, building facilities, and stockpiling vaccines

Fact

Myth

VACCINE DEVELOPMENT WAS RUSHED

Due to the urgency of the pandemic, COVID-19, vaccine development was accelerated, not rushed. We now have safe and effective vaccines that protect against this deadly virus!

Preparation of this resource was funded by grant #90DDUC0036-05-00 from the U.S. Department of Health & Human Services, Administration for Community Living, Administration on Intellectual and Developmental Disabilities. December 2021.
