

# Community Health Workers Project ECHO Clinic

**Biweekly, Monday's, 1:00PM – 2:30 PM**

## Series Leaders

- Lisa Asare, MPH, Assistant Commissioner, Division of Family Health Services – New Jersey Department of Health
- Brandie Wooding, MSN, RN, Nurse Consultant, Population Health – New Jersey Department of Health
- Angela Clack, Psy.D., Clack Associates, LLC
- Marie Kinsella, The Partnership for Maternal and Child Health of Northern New Jersey
- Ronsha Dickerson, Community Doulas of South Jersey

## Learning Objectives

**After participating in ECHO, providers will be able to:**

- Raise awareness and knowledge on the basics of COVID-19 and identify the impact of COVID-19 in communities where individuals work and live to maintain personal and community safety.
- Identify different social support approaches that address social determinants of health for families during COVID-19.
- Utilize various resources throughout the State of New Jersey that are successful in building partnerships and communications with clients/patients for better healthcare outcomes.
