

NJMS OFFICE OF PRIMARY CARE AND COMMUNITY INITIATIVES

The Office of Primary Care and
Community Initiatives invites you to an
Upcoming Webinar Discussing:

NJMS Programs:
Sight Savers
Fresh Produce Distribution Taskforce

June 16th @ 3pm

NJMS Sight Savers Program

Provides vision screenings to detect early signs of vision threatening diseases such as:
Glaucoma
Diabetic retinopathy
Cataracts
Age-related macular degeneration

Fresh Produce Distribution Taskforce

The Taskforce has delivered over 100,000 pounds of fresh food to 1500 seniors and 400 families in Newark!

This project is ongoing and will be funded at least into October.

Free to attend! Participants must register
